

The mission of MCTV15 is to encourage and support the use of media for sharing thoughts opinions and events by, and for the people of Siskiyou County.

# ORIENTATION MONTHLY MEETING

MCTV15 offers a FREE class to introduce community members interested in learning about the great opportunities offered by Public Access. This is the first step in the process of becoming an Access Producer.

As an MCTV15 Access Producer you get access to additional media training, use of the studio to produce a show, privileges to check out video equipment for public access use, put on a live program and use video editing equipment.

Producing your own shows and helping others to do the same is a fun and rewarding experience.
